

# Charles H. Kang

## PROFESSIONAL EXPERIENCE

### iOS Developer / [Access Code Fellowship](#) at [C4Q](#) – New York, NY

June 2015 to Present

- Graduate of highly competitive career-training program, with 5% acceptance rate out of 580 applicants
- Intensive 9-month program in iOS development including Objective-C, Swift, Git, Data Structures, Algorithms, JSON, tech principles and culture

### [Neverlate](#) app – New York, NY

November to December 2015

- Presented at New York Tech Meetup as “hack of the month”, to an audience of 600
- Worked on a team of 3 to design and develop Neverlate, a fun and motivating app that allows users to create goals to be on time, and if they're late, they need to pay their buddy
- Led the team's UI and UX needs using Sketch 3 and Photoshop to quickly wireframe and design the app
- Implemented maps features, including user location and geofencing

### [OfficeHours](#) app – New York, NY

October 2015

- Worked on a team of 3 to build a community building app during a 48-hour Hackathon
- OfficeHours helps underserved, underrepresented communities to find local tutors to receive help, with emphasis on programming
- Implemented maps and ability to find a tutor
- Designed and wireframed UI using Photoshop, as well as choosing smart user flow

### Barista / Kaffee 1668 – New York, NY

April to August 2015

- Reduced time customers spent in line by 30%, planned with the owners to create highly efficient POS (Square) strategies that allowed for increased sales while maintaining high quality service
- Team earned 25% more tips when I was working
- Facilitated a harmonious work environment for a diverse team of 5 baristas

### Cook II / Stonehill Tavern, The St. Regis Monarch Beach – Dana Point, CA

March to July 2014

- Developed new, exciting seasonal tasting menus alongside the executive and sous chef
- Performed demanding tasks under tremendous pressure from restaurant owner Michael Mina, helped increase ingredient utilization by 20%
- Prepared the entire kitchen to be koshered on Passover week in just several hours, where several hundreds of people were served a strictly monitored variety of food
